# NEW JERSEY TERMS & CONDITIONS

**Viridian Energy® PA LLC** ("Viridian" or the "Company") is licensed by the New Jersey Board of Public Utilities ("NJBP") as a third-party electric supplier. **Viridian's license number is ESL-0084.** This agreement ("Agreement") authorizes Viridian to change your electric supplier to Viridian. You, the Customer, agree to receive and pay for electricity supply service from Viridian in accordance with the terms and conditions contained in this Agreement.

Customer understands that the prices charged by Viridian for electricity supply service under this Agreement include the electricity commodity, associated transmission prices and applicable taxes. Viridian does not charge for local distribution company ("LDC") distribution (delivery) costs, or other associated LDC fees or charges.

**Price:** Customers enrolled in Viridian's Everyday Green plan will pay a fixed price for the first month of electricity supply service. The price for the first month is contained in the New Jersey Customer Enrollment Form and is incorporated by reference and made a part of this Agreement. After the first month, Everyday Green customers will pay a variable rate for electricity supply service, which will fluctuate on a month-to-month basis. Pure Green customers will pay a variable rate for the entirety of the term. Customer acknowledges and understands that variable charges are set by Viridian and will fluctuate with month-to-month wholesale market conditions applicable to the LDC's service territory. Viridian will charge the Customer an Administrative Fee of \$0.49 per month. For residential customers, there is no charge for starting or stopping electricity supply service, provided it is done within the terms of this Agreement. Please visit [www.viridian.com](http://www.viridian.com) for more information regarding current electricity supply prices and updates.

**Term:** Viridian will begin furnishing your electricity supply service on a date set by the LDC. This Agreement will continue in force on a month-to-month basis until this Agreement is canceled by either party in accordance with the terms of this Agreement.

**Rescission:** Upon executing this Agreement, you will receive a confirmation notice that confirms your selection of Viridian to serve as your electric supplier. Within fourteen (14) calendar days from the date of the confirmation notice, you will have the right to rescind this Agreement, without fees or penalties of any kind, by notifying the LDC that you rescind your selection.

**Termination by Customer:** You may terminate this Agreement at any time without penalty by notifying Viridian in advance by calling Viridian at 1-866-663-2508, by email at [customer-care@viridian.com](mailto:customer-care@viridian.com), or in writing by mail at 64 North Main Street, Norwalk, CT 06854. Termination becomes effective upon the processing of your cancellation request by the LDC. You shall be obligated to pay for the electricity supply service provided by Viridian pursuant to this Agreement, prior to the date that such cancellation becomes effective, including any applicable LDC late fees. Should you terminate this Agreement, you will be returned to your LDC's default electric supply service unless you choose another electric supplier.

**Termination by Viridian:** Viridian may terminate this Agreement without penalty at any time, in whole or with respect to any particular account(s) covered by this Agreement, by providing you with 30 business days' advance written notice of such termination ("Termination Notice"); provided, however, that Viridian may not terminate this Agreement for residential customers due to non-payment in cases where: (a) charges are in dispute; (b) the undisputed charges are paid; and (c) Viridian and the residential customer agree to resolve the disputed charges within 30 business days of the time that the residential customer has notified Viridian that charges are in dispute. If Viridian terminates this Agreement due to your non-payment of undisputed charges or other breach of this Agreement, the Termination Notice shall clearly state this reason and you shall have fifteen (15) business days from receipt of the Termination Notice to remedy the breach, such as, for example, paying all outstanding charges due Viridian for electricity and related services provided pursuant to this Agreement prior to the date that such termination becomes effective.

**Billing and Payment & Late Fees:** The Customer will receive one consolidated bill each month from the LDC for all charges. The Customer shall pay the bill in accordance with the LDC's applicable tariffs. The LDC will set your payment due date and payment address. You may check

with the LDC about budget billing options offered by the LDC under consolidated billing. If you are currently on a budget billing plan with the utility, please note that your budget billing will not apply to the supply portion of your electric bill. Upon your non-payment of a bill rendered by the LDC, the LDC may switch you from consolidated billing to dual billing, where you will receive one bill from the LDC for distribution and related charges and one bill from Viridian for electricity supply service and related charges. Bills rendered by Viridian under dual billing that are not paid in full by the due date will incur a late payment fee in the amount of 1.5% per month on all unpaid balances. Under dual billing, Viridian will not offer budget billing options.

**Customer Rights:** You will receive a confirmation notice informing you that you have chosen Viridian to be your electric supplier. If you have billing questions or would like to make an inquiry or complaint regarding Viridian's service, you may contact Viridian by telephone at 1-866-663-2508, by email at [customer-care@viridian.com](mailto:customer-care@viridian.com) or by mail at 64 North Main Street, Norwalk, CT 06854. In the event of a dispute or a disagreement under this Agreement, the parties will use their best efforts to resolve the dispute. If you are not fully satisfied after discussing your dispute with Viridian, you may contact the NJBP's Division of Customer Relations at 1-800-624-0241.

**Emergency:** In the event of an emergency such as a power failure or a downed power line, you should call your LDC. If your LDC is Public Service Electric & Gas (PSE&G), call 1-877-436-7734. If your LDC is Jersey Central Power & Light (JCP&L), call 1-800-662-3115. If your LDC is Atlantic City Electric (ACE), call 1-800-833-7476. If your LDC is Rockland Electric Company (RECO), call 1-877-434-4100.

**Force Majeure:** Viridian will not be responsible for providing electricity supply service to you in the event of circumstances beyond its control such as events of Force Majeure as defined by the LDC or any transmitting or transportation entity, including acts of terrorism, sabotage, or acts of God. If there is a change in any law, rule, or pricing structure which results in Viridian being prevented, prohibited, or frustrated from carrying out the terms of this Agreement, Viridian reserves the right to terminate this Agreement in accordance with its terms.

**Limitations on Warranty and Damages:** You understand and agree that there are no warranties, either express or implied, associated with the electricity supply service provided by Viridian. Viridian will bear no liability to you or any third party for consequential, punitive, incidental, special or other indirect damages.

**Information Release Authorization:** You authorize Viridian to obtain your usage history from your LDC. You may rescind this authorization at any time by contacting Viridian. Viridian will not release your confidential information without your consent.

**Assignment:** Viridian reserves the right to assign this Agreement, without your consent, to another electric supplier or other entity as authorized by the NJBP at the Company's sole discretion. Any required assignment notice will be considered to have been made to you if mailed to the address in Viridian's records for your account.
